Multimedia

Complete distribution to health, medical, biotech and fitness writers. Exclusive trade media options. The reach you expect from Business Wire.

HealthWire

Introduce your new medical device with an engaging photo. Announce your Phase III trials to the industry and consumers. Produce an audio feature on fitness trends. Feature your latest discoveries in gene therapy.

Send these and all of your health, medical, biotechnology and fitness news and multimedia to your target audiences via HealthWire.

Every day, leading companies in pharmaceuticals, medical devices, research and other fields issue their news via HealthWire.

Send to thousands of newspapers, radio & TV stations and wire services in the blink of an eye. Reach journalists and consumers directly via targeted RSS feeds. Receive full-text posting to leading portals and websites, including Yahoo! Finance, MarketWatch, Forbes and more; plus your news appears on dozens of industry-specific and regional biotechnology websites.

Choose from more than 20 specially-targeted health and biotech trade categories and more than 150 other industry options.

Distribution Options

	400 Word News Release	Each Add'l 100 Words
US National	\$675	\$175
<i>Reaches media in all 50 states</i>		

Biosciences Corridor	\$495	\$130
<i>Reaches media in the top 17 US biotech markets</i>		

Please visit BusinessWire.com or consult with your account executive for additional options.

Smart News Release: News With a Difference

Include photos, audio, video and other multimedia with your text news release. Your high-resolution photos reach thousands of US newspapers via AP PhotoExpress. Photo editors have one-click access to your photos and other multimedia through websites, RSS feeds and push email notification.

Web 2.0: Stylize and Optimize Your News

Business Wire's exclusive XHTML formatting lets you use bold, italics, centered headlines, bullets, Smart Links and other copy enhancements. No other news wire can match this industry-first service.

Optimize your news for social networking and viral marketing outreach. With our EON: Enhanced Online News Services services, you can optimize your press release text for important keywords, then post to our Enhanced Online News Services site for wider online visibility.

Smart News Release

Add Photos, Video, and other multimedia to your news release. Includes lead photo distribution to US newspapers via AP PhotoExpress and posting to Yahoo! Finance.

	First Photo or File	Each Add'l Photo or File
